German Engineering by Dahle

- Practical rotary trimmer for professional use
- Sturdy metal table with non-slip rubber feet for firm standing
- Practical format lines on the table with mm graduation along the cutting edge facilitate alignment of the material being cut
- Double guide bar for absolutely accurate cutting
- Ground circular blade and lower blade for precision and burr-free cutting results
- Ground lower blade for exact results
- High-quality blades made of hardened steel for long-lasting cutting quality
- Circular blade in the sealed plastic housing provides maximum safety
- Automatic clamping on the cutting line for quickly holding down the item being cut
- Two scale bars.
- Adjustable backstop for quickly finding the right format
- Rear feet for space-saving upright storage at the workplace
